**EXECUTIVE SUMMARY**

**BACKGROUND**

Annually, as part of the budget process, City staff makes necessary additions and/or changes in fees in order to cover the cost of service being provided as well as conduct a rate analysis as part of the water/sewer rate model.

Fee changes have been discussed as part of the budget process in budget workshops held in August and September.

The changes to the fees for fiscal year 2017 include:

1. Change to the water and sewer rate structure by which transition to base charge is scaled up by meter size on both the water and sewer side along with an increase to volumetric rates.

### **SCHEDULE**

The first reading of the Non-Development Fee Ordinance is September 12, 2016 and the second and final reading is September 19, 2016. Fees will go into effect October 1, 2016 and implemented in City of Pearland October 1, 2016 and the ETJ 60 days after notice.

### **POLICY/GOAL CONSIDERATION**

Amending the fee schedule is in accordance with the City's Financial Management Policy Statements – Revenues. Policy Statements include: Design, maintain, and administer a revenue system that will assure reliable, equitable, diversified, and a sufficient revenue stream to support desired City services, and, For services that benefit specific users, the City shall establish and collect fees to recover the costs of those services. At a minimum, the City shall strive to cover the direct costs.
