# FREE Lunch & Learn: How to Sell Homes with Fire Sprinklers

A FEMA grant-funded program

**Thursday, November 30**

**11:30 am – 1:00 pm**

**Pearland Fire & EMS Administration Bldg.  
2703 Veterans Drive • Pearland, TX**

## Win an iPad Mini

One lucky attendee's name will be drawn to win an iPad Mini.

**If you haven't already sold a home protected with fire sprinklers, it's only a matter of time before you do.**

There were close to 33,000 residential fires in 2013 & 2014, collectively in Texas. These fires caused nearly 220 civilian and six firefighter deaths.

**Texas homebuyers are asking about home fire sprinklers. Are you prepared to answer their questions?**

Sprinklered homes are growing in popularity. According to a Harris Poll\*, 74% of U.S. homeowners said they'd be more likely to buy a home with fire sprinklers than one without.

\*2014 Harris Poll® conducted on behalf of the national non-profit Home Fire Sprinkler Coalition.

**Get the facts about home fire sprinklers and a FREE lunch.**

The Pearland Fire Marshal's Office invites you to lunch and a brief educational session to discover how fire sprinklers can add value to a home and peace of mind for today's safety-conscious homebuyers.

Also, there will be a live demonstration of two fires — one in a sprinklered room and one in an unprotected room.

Attendees will receive home fire sprinkler educational brochures for themselves and their customers.
