American Heart Month

American Heart Month is a national initiative to encourage and motivate everyone to adopt heart healthy behaviors. Pearland Parks & Recreation wants to encourage everyone to participate and adopt heart healthy habits this month. Join us for:

1. February 14 at 9 a.m.: Enjoy Heart Healthy Cream Stuffed Strawberries in the Recreation Center Lobby.
2. Month-long: Pick up a suggested heart healthy recipe from our lobby to try at home with your family.
3. Follow our [social media](#) for pop-up classes and other heart healthy activities that will be offered throughout the month!

Winter Games of Texas: Roundup

In the second year of the [TAAF Winter Games of Texas](#) in Pearland, we saw a burst of increased participation in sports all across the board, with nearly 3,000 athletes having competed in this year's events. New events this year, such as kickball and Gridiron Skills, were well received. We look to continue to grow the Winter Games for the next two years that the City of Pearland has committed to hosting.

Youth Basketball: Update

This year's Youth Basketball season started on January 5, with nearly 200 kids (21 teams) from 8 years old to 14 years old signing up to play ball. One of the fun new changes that we've implemented this year was a brand new team management platform that allows for much easier communication between league administrators and coaches/parents. The new system also allows for coaches to upload their game and practice schedules and parents can even let the coach know if their child will be able to attend game/practice. Overall, this platform makes for an awesome addition to one of our most popular activities.

We need a few good volunteers!
