Updated Park Restrictions

The City continues to work with local, regional, and state partners to monitor COVID-19 and keep the Pearland Community safe and informed.

In an effort to further promote social distancing and flatten the curve of COVID-19, effective Friday, April 10, 2020, the City's parks will be closing the following areas:

- * Playgrounds
- * Courts
- * Restrooms
- * Pavilions
- * Dog parks

The city encourages the use of the trail systems and green spaces that are open, but still actively mandates social distancing measures of a minimum of 6 feet between individuals.
