

HOME REPAIR PROGRAM

INTEREST FORM

The City of Pearland is committed to maintaining healthy and vibrant neighborhoods for all residents. Instrumental in achieving this critical goal is the use of Community Development Block Grant (CDBG) funding from the U.S. Department of Housing and Urban Development (HUD). A portion of CDBG funds is used towards the City's Home Repair Program (HRP). This Program is designed to assist eligible low-moderate income Pearland homeowners that occupy their homes, for needed minor repairs to their homes.

If you are a current resident of Pearland and are interested in the HRP program, please complete the interest field provided on this page or fill out the print version and mail or submit in person to the City of Pearland. You will then be contacted by a HRP specialist within 48 business hours to discuss program eligibility and next steps.
