PEARLAND WATER
CUSTOMER PORTAL

HOW-TO INSTALL A WEBSITE SHORTCUT ON AN ANDROID DEVICE
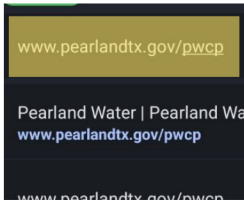

1

OPEN CHROME OR FIREFOX

Unlock your Android Device and find the Chrome or Firefox app icon and tap to open it.

2

GO TO PEARLAND WATER CUSTOMER PORTAL

In the Chrome address bar type: *www.pearlandtx.gov/pwcp* and press GO

3

OPEN THE BROWSER MENU

Once the page loads, tap the menu icon (three vertical dots) at the top right corner of the screen

4

SELECT "ADD TO HOME SCREEN"

In the menu that appears, select "Add to Home Screen".

5

NAME AND CONFIRM THE SHORTCUT

Following pop-ups will appear asking to rename the shortcut. You may leave the default name or enter a new name, then tap "Add" when done. Then confirm the shortcut on the following pop-up screen by selecting "Add automaticfally".

6

ICON IS NOW ON THE HOME SCREEN

The new shortcut should now appear on your Android device's home screen. You can move it around like all other app icons.
