# Budget Overview

# Valuing Our Staff

The annual compensation goal of the City is to provide competitive market and step adjustments to ensure employees are on pace with the market, and future compensation studies have a less significant budget impact.

For upcoming FY25:

- Employees eligible to receive a 5% effective raise: A five percent (5%) increase is recommended for non-public safety staff (3% market adjustment and 2% advancement through the salary range).
- Uniformed Public Safety Salary Changes: Police Officers (8.8%) and Firefighters (13%) and further adjustments to the pay plans to bring positions to market.
- Non-Exempt Non-Public Safety employees at max step will receive 2% of their base salary as a one-time payment.

## What is *not* in the FY25 Budget?

- Additional \$4.2 Million in Street Funding needed to maintain the transportation infrastructure
- 51 General Fund vehicles/equipment eligible for replacement \$4.8 Million replacement cost.
- \$5.9 Million in supplemental staffing requests in the General Fund
  - \$4.5 Million in Public Safety Staff
  - \$444,244 in Parks & Recreation Staff
