DESCRIPTION OF ZONE

In accordance with the Tax Increment Financing Act (Chapter 311, Tax Code), Reinvestment Zone Number Two, City of Pearland, Texas (the Zone) was established by Ordinance 891 of the City Council of the City of Pearland (the City), Texas on December 21, 1998. The original Zone, also known as “Shadow Creek Ranch”, consisted of 3,467 acres located in Brazoria County and Fort Bend County, Texas. In addition, the Zone is located in Alvin I.S.D. (AISD), Fort Bend I.S.D. (FBISD) and a small portion in Pearland I.S.D. (PISD). The original Zone is generally bounded by Clear Creek on the north, State Highway 288 on the east, Broadway (the extension of FM 518 west of S.H. 288) on the south and FM 521 on the west. A map illustrating the original boundaries of the Zone follows on page 15 as Exhibit 1. On August 23, 1999, by Ordinance No. 918 of the City, the Project Plan and Reinvestment Zone Financing Plan (the Project Plan) for the original TIRZ boundaries was adopted.

1st Plan Amendment

On July 10, 2006, by Ordinance 1276 of the City, the Project Plan was amended and the Zone was expanded to provide for the annexation of 457 acres of vacant land, adjacent to the Zone. 288 acres are in Brazoria County and 169 acres are in Fort Bend County.

2nd Plan Amendment

On November 13, 2006 by Ordinance 1312 of the City, the Project Plan was amended to provide for development of public improvements to serve Shadow Creek Ranch Town Center. The proposed development is within the boundaries of the original Zone and Brazoria County.

3rd Plan Amendment

On November 13, 2006 by Ordinance 1313 of the City, the Project Plan was amended and the Zone was expanded to provide for the annexation of 8± acres to facilitate the improvement and widening of Broadway from S.H. 288 to F.M. 521. The boundaries of the annexed area are within Brazoria County.

The Zone is now composed of 3,932+ acres, of which 3,125± acres are within Brazoria County and 807± acres are within Fort Bend County. A map illustrating the boundaries of the Zone as expanded follows on page 16 as Exhibit 2.

4th Plan Amendment

On August 13, 2018, by Ordinance 1562 of the City, the Project Plan was amended to increase the budget amounts for various categories of improvements to fund public safety, library, parks and recreation, landscaping, and transportation projects. All proposed projects were within the previously approved Infrastructure budget category. This amendment was necessary to update cost estimates and to meet the level of service expected from current residents that could not be anticipated at the time of the original Zone creation.

5th Plan Amendment

On December 9, 2019, by Ordinance 1585 of the City, the Project Plan was amended to increase the budget amounts for the infrastructure and city facility categories of improvements to fund a portion of the FM 521 improvement project and additional funds for the library project. The currently projected increment for the remaining life of the Zone is exceeding original expectations such that sufficient increment is projected to be available to fully fund this amendment.

PURPOSE OF ZONE

The objective of the Zone is to facilitate quality mixed-use development with a self-sustaining tax base for the City and the other participating taxing entities.

The City Council, in adopting the ordinances creating and expanding the Zone, found that the development described in the Project Plan, and its subsequent amendments, would not likely occur, to the quality, standards and densities described in the Project Plan, but for the creation of the Zone.

The City Council further found that improvements in the Zone will significantly enhance the value of all taxable real property in the Zone and will be of general benefit to the City. The Zone will pursue its objective by acting as a financing vehicle for regional public improvements, as described in the Project Plan as amended. The methods of financing and the sources of funding available to the Zone, including the participation levels of the various participating entities, including the City, Brazoria County, Fort Bend County and Alvin ISD, are described in the Project Plan and its amendments.

STATE OF THE ZONE AND PLAN IMPLEMENTATION IN 2022

1. The information provided in this section is in accordance with § 311.016 (a) (1) of the Texas Tax Code, which requires inclusion of the amount and source of revenue in the tax increment fund established for the zone.

In addition to the City’s tax increment revenue, interlocal agreements with Brazoria County, Fort Bend County and Alvin ISD provide for each taxing unit’s participation in the Zone. The Project Plan also allows for the participation of Brazoria Drainage District No. 4 and Fort Bend Independent School District, though neither is currently participating. Levels of participation are detailed in the Project Plan and current levels of participation are shown in Table A. The zone is currently in its twentieth year.

**TABLE A
Taxing Entity Participation**

Taxing Entity	Zone Years	Participation
City of Pearland	9 through 30	100% of taxes collected at current tax rate on Captured Appraised Value (1)
Brazoria County	1 through 30	100% of taxes collected at current tax rate on Captured Appraised Value up to a tax rate of \$.1359, or if rate is less than \$.1359 then 38% of actual tax rate.
Fort Bend County	11 through 20	100% of taxes collected at current tax rate on Captured Appraised Value, up to a maximum tax rate of .468075 (2)
Alvin ISD	1 through 30	100% of taxes collected at current tax rate on Captured Appraised Value (3)

- (1) 64% to be repaid as an administrative cost, provided the TIRZ retain at least \$.255 / \$100.
- (2) In years 21 through 30 participation drops to 100% of .31205.
- (3) 75% to be used by AISD for the construction of educational facilities.

The obligations of the participating taxing jurisdictions, as defined in their respective interlocal agreements, include the timely deposit of tax increment into the City’s tax increment revenue fund.

Table B illustrates the growth in appraised value from base year to tax year 2022 for each participating jurisdiction. Table C illustrates the amount of the incremental revenue, which has been transferred to the increment fund. These amounts are based upon actual taxes collected as of December 31, 2022.

(1) Source: City of Pearland, Texas. Fund balances as of 12/31 of each year.

(2) Rebate for admin costs prior to 2007 is 36%. In 2007 the rebate increased to 64%.

(3) Note that Alvin ISD revenue is reported net of the 75% rebate to Alvin ISD.

(4) In addition to fund balance, as of 12/31/22, AISD had \$7,107,342.85 in the suspense account.

(5) Due to timing of the transfer for the administrative payment with respect to the reporting period, 2021 is low and 2022 is high. The combined amount is 62.5% of the Pearland Revenue for those two years, which is correct for the tax rates in effect for each year.

2. The information provided in this section is in accordance with §311.016 (a) (2) of the Texas Tax Code, which requires inclusion of the amount and purpose of expenditures from the fund.

The Board of Directors of the Zone has been granted by City Council, in accordance with Section 311.010 of Texas Tax Code, the power to administer, manage, and operate the Zone and to implement the Project Plan. The Zone was created for the duration of 30 years, or until dissolved by the City.

The total cost of the public improvements within the Zone, as outlined in the original Project Plan, amounts to \$294,482,034. Of this amount, the City will fund \$35,471,061 worth of improvements, and the Texas Department of Transportation (TxDOT) will fund another \$10,277,050 worth of improvements. The Zone will fund the remaining improvements, which amounts to a cost of \$248,733,923, unadjusted for inflation.

1st Plan Amendment

The original list of project costs was amended with the approval of the 1st Plan Amendment, which included improvements, estimated to total \$34,724,218. These improvements address the water, wastewater, storm sewer, lakes channels, roads and landscaping costs for the 457± acre annexation.

2nd Plan Amendment

The list of project costs was amended again with the approval of the 2nd Plan Amendment, which included improvements estimated to total \$11,749,618. These improvements address major road infrastructure, detention, drainage, landscaping and the relocation of pipelines and overhead utilities. All projects associated with this annexation have been completed.

3rd Plan Amendment

The list of project costs was amended a third time with the approval of the 3rd Plan Amendment, which included improvements estimated to total \$8 million. This amendment addressed the need to fund and construct a section of Broadway. All projects associated with this annexation have been completed.

4th Plan Amendment

The list of project costs was amended a fourth time with the approval of the 4th Plan Amendment, which included improvements estimated to total \$52,324,235. This amendment addressed the need to update the cost estimates for previously approved budget categories

5th Plan Amendment

The list of project costs was amended a fifth time with the approval of the 5th Plan Amendment, which included improvements estimated to total \$7,729,000. This amendment added an additional infrastructure project for FM 521 and updated the cost estimate for the library project.

These costs are detailed in the amended Project Budget, a copy of which follows as Table D. The Zone as now enlarged is composed of 3,932± acres, of which 3,125± acres are within Brazoria County and 807± acres are within Fort Bend County. A map illustrating the boundaries of the Zone as amended follows on page 16 as Exhibit 2.

TIRZ-Funded Projects:

Since the creation of the Zone a series of infrastructure improvements have been funded and constructed. In 2022, three new Letter Financing Agreements (LFA) were approved: LFA 22-02-001 for Shadow Creek Trail Phase II; LFA 22-02-002 for Shadow Creek Parkway Lighting and Landscaping; and LFA 22-02-003 for Shadow Creek Intersection Improvements.

City Funded Improvements:

- There were no City funded projects in 2022.

TxDOT Funded Improvements:

- There were no TxDOT funded projects in 2022.

3. The information provided in this section is in accordance with §311.016 (a) (3) of the Texas Tax Code, which requires inclusion of the amount of principal and interest due on outstanding bonded indebtedness.

Bond Issues

In accordance with a Tri-Party Agreement dated October 11, 2004 between the TIRZ, the City of Pearland, and the Development Authority of Pearland (DAP), the TIRZ has pledged increment to provide for the repayment of debt issued on its behalf. In this regard, the DAP sold Tax Increment Contract Revenue Bonds in 2004, 2005, 2006, 2007, 2009, 2013, 2014, 2016, 2017, 2018, 2019, and 2022. Additionally, in 2015, the DAP sold Tax Increment Contract Revenue and Refunding Bonds, which refunded the then-outstanding bonds issued prior to 2013.

In addition to developer reimbursements made via the sale of bonds, the DAP has also made payments from cash reserves. In 2022 the DAP made direct payments to the developer totaling \$11,190,538. Total direct payments as of the end of 2022 for the DAP is \$119,510,587, all of which are reflected within in the reimbursements outlined in Table F.

Additional LFA’s Approved for Reimbursement

The Zone Board has approved a series of Letter Financing Agreements (LFA’s) for reimbursement. Prior to Board action all project costs related to each LFA were reviewed by the Zone’s Auditor, McGrath & Co. PLLC, and summarized in a reimbursement report, which included eligible project costs plus interest. Table F outlines Letter Financing Agreements approved through the end of 2022.

(1) LFA amounts have been adjusted for inflation per the Project and Financing Plan and related budget.

(2) Amounts reimbursed include actual interest per the Developer Reimbursement Agreement.

* Actual costs exceeded the amount of the LFA. Per the governing agreements, reimbursement is limited to the amount of the LFA

4. The information provided in this section is in accordance with §311.016 (a) (4) of the Texas Tax Code, which requires inclusion of the tax increment base and current captured appraised value retained by the zone.

In each year subsequent to the base year, the Zone will receive tax increment revenue based on ad valorem property taxes levied and collected by each participating taxing unit on the captured appraised value of the Zone. The captured appraised value of the Zone is the total appraised value of all real property located within the Zone as of January 1, less the total appraised base year (January 1, 1998) value.

As of December 31, 2022, the captured value of the Zone as amended had exceeded the original Project Plan projections of value at the end of the Zone. However, because the pace of development is unpredictable the actual captured appraised value in any future year may not equal the projected estimates of such value.

As of January 1, 1998, the base year for the Zone, the area encompassed by the original Zone was undeveloped land, with a total appraised value of \$7,172,980. On January 1, 2022, the area encompassed by the original Zone had a total appraised value of \$2,943,763,915. As a result, the total captured appraised value (net base year value and exemptions) on the tax roll as of January 1, 2022, was \$2,936,590,935 for the City, as illustrated in Table B.

The City of Pearland base year (2006) value for the 457± acres annexed in the 1st Plan Amendment was \$4,381,680. As of January 1, 2022, the total appraised value was \$503,084,389. As a result, the total captured appraised value on the roll as of January 1, 2022, was \$498,702,709. The 2nd, 4th, and 5th Plan Amendments did not add any land to the boundaries of the original Zone. All lands associated with the 3rd Plan Amendment are either owned by a municipality or are dedicated right-of-way with no taxable value.

5. The information provided in this section is in accordance with §311.016 (a) (5) of the Texas Tax Code, which requires inclusion of the captured appraised value shared by the municipality and other taxing units, the total amount of tax increments received, and any additional information necessary to demonstrate compliance with the tax increment financing plan adopted by the governing body of the municipality.

As previously stated, the City, Brazoria County, Fort Bend County and Alvin ISD are the only taxing units currently participating in the Zone. As of January 1, 2022, the total captured appraised value in the TIRZ was \$3,435,293,644 for the original and annexed areas of the Zone. The total amount of tax increment revenue received is detailed in Table C.
